

Group Discussion and Application

1. How does God demonstrate His power today?
2. Why do we often misunderstand God's power over the nations?
3. What was God demonstrating by choosing the particular plagues He did?
4. Define 'false god'. What makes something a false god?
5. What are some of the false gods people worship today?
6. Why are these false gods tempting to pursue?
7. In practice, how do we know if we are making something a false god?
8. What does Scripture teach about idolatry?
9. How can we guard our hearts from establishing false gods?

Personal Reflection and Response

1. Keep track of the evidences of God's power throughout this week.
2. To what false gods are you most tempted to give yourself?
3. What specific action will you take to guard your heart from going after false gods?

Family Homework

1. What are some of the things you treasure most?
How do you know if you value these too much? (cf., 1 Tim 6:17)
2. Read Matthew 6:24. Paraphrase and discuss this verse.
Why can't you love and serve two things?
3. Do a Bible study on the subject of idolatry.
