

Group Discussion and Application

1. Have you ever been involved in a church building project before? What lessons did you learn from that experience?
2. What is the difference between simply building a building and building to the glory of God?
3. List some of the ways we have witnessed God work on behalf of Grace Fellowship in our building program.
4. We are not to run ahead of God or lag behind Him. In practical terms, how do we determine if we are in synch with God's plan and time table?
5. In the midst of the busyness of building, how can we maintain a Christ-centered focus on ministry? Suggest some specific practical actions we may take.
6. What are some of God's promises that give strength and courage in any work we undertake for the Lord?
7. Define genuine, saving faith. Discuss the relationship between faith and obedience.

Personal Reflection and Response

1. God desires obedient hearts of faith. Have you come to whole-hearted faith in Christ? To what extent is your faith evidenced in obedience?
2. How might you express your thanks and encouragement to those who have faithfully been part of our building program?
3. What part might you have personally in the work of building the new facilities of Grace Fellowship for the glory of God?

Family Homework

1. Make a list of specific prayer requests related to our building program. Spend time praying for these as a family.
2. Have each person consider how he/she might contribute in some way to the work of our building project.
