

## Group Discussion and Application

1. The key to effective discipleship is...
2. Why did Jesus use the process of building disciples that He did? What made this such a good method?
3. What methods have some tried to substitute for discipleship? Why? What have been the results?
4. Were you ever disciplined in your Christian walk and ministry? Describe the process through which you were taken.
5. Share some practical counsel you have learned about the process of making disciples.
6. Make a list of the areas of life that should be addressed as part of Christian discipleship.
7. What are the obstacles that hinder believers from carrying out the work of making disciples?
8. What solutions can you offer to these problems?

## Personal Reflection and Response

1. Who could assist you in your own growth in the Christian life?
2. Whom could you help grow in their Christian life and ministry?
3. What action do you need to take to begin this process?

## Family Homework

1. Define "disciple" and "discipleship".
2. Locate passages in the gospels where Jesus spent time with His disciples. What did He do with them? What did He teach them? How?
