

Group Discussion & Application

1. What purposes/values do obstacles serve in the believer's life?
2. What are some of the lessons we are to learn from obstacles?
3. What overwhelming obstacles have you faced?
What was your attitude and response toward them?
What was the outcome of them?
What did you learn from them?
What purpose/value did they serve in your life?
4. How does God instruct us today?
What instrumental means does He employ?
5. Why is it important to do God's work God's way?
6. How are we to view the commands of God?
7. What demonstrations of the power of God have you observed recently?
8. How can we give God glory for His mighty works?
9. What are some of God's assurances that give you comfort and confidence?
Support with Scripture.

Personal Reflection & Response

1. What obstacles do you anticipate facing this week?
2. What provision has God given you to face these?
3. How will you respond to these challenges? What action will you take?

Family Homework

1. Have each family member share a present struggle in their life.
2. Discuss how Joshua 3 applies to these challenges.
3. Pray for one another. Follow up with one another later in the week.

Responding to God' Provision (Part 2) Joshua 3:1-17

*In the face of overwhelming obstacles, how shall
God's people respond to God's provisions?*
